Affiliated with Gujarat University

Subject: Appreciation for PETCAREHUB initiative

Dear PETCAREHUB Team,

I would like to express my sincere appreciation for your innovative project "**PETCAREHUB**", developed by students of President Institute of Computer Application, affiliated with Gujarat University.

Your initiative to create a platform that integrates veterinary appointment services, selling pet-related products, and adoption support is truly commendable. Your efforts in leveraging technology to support animal welfare and simplify the pet care ecosystem reflect both technical excellence and social responsibility.

We especially appreciate your collaboration with "**AdoptionHome_Ahmedabad**" in promoting responsible pet adoption and helping connect potential adopters with rescued animals.

We are also glad to be part of a platform where a portion of the generated commission is intended to be contributed towards animal welfare. This noble motive will help us further support and care for animals who cannot express their pain, emotions, or needs, ensuring they receive the love, protection, and treatment they deserve.

Your work has the potential to create a meaningful and lasting impact in the lives of countless voiceless animals, and we are proud to be associated with such a thoughtful initiative. **We wish you great success in your project and future endeavors.**

Validity: This certificate is valid from **01 April 2026** to **01 January 2027**, after which the terms will be reconsidered.

Sincerely,

Naitik Bhatt
